

# Polled Shorthorn Congress Sale

IN THE KINGDOM OF THE SUN

OCALA,  
FLA.

JANUARY 25, 1954

## *Schedule of Events*

### **SUNDAY, JANUARY 24th, 1954**

**5:00 P. M. to 7:00 P. M. - Barbecue - to be held on the John P. Duane Farm - about 2½ miles southwest of Ocala, on State Road No. 200. John P. Duane and F. R. and L. P. Schell will be the hosts and invite all interested in Polled Shorthorns to attend.**

### **MONDAY, JANUARY 25th**

**9:30 A. M. - SHOW OF CATTLE - to be judged by W. H. Gregory of Auburn, Alabama.**

**7:00 P. M. - Banquet and Annual Meeting - The BRAHMA Restaurant, located South on the Four-Lane Highway at Seventeenth Street.**

### **TUESDAY, JANUARY 26th**

**9:30 A. M. - NATIONAL POLLED SHORTHORN CONGRESS SALE.**

**Both the Show and the Sale will be held at the Southeastern Fat Stock Show Buildings - located 2 miles north of the Court House on the Jacksonville Highway No. 301**

**HOTEL RESERVATIONS:** Because accommodations are not all available at one place we suggest you address reservation requests to the MARION HOTEL, Ocala, Fla. They will accommodate as many as possible at that Hotel and then book rooms at other nearby hotels. If you prefer accommodations in very modern, comfortable, conveniently located motels, this should be indicated. Be sure to mention the Polled Shorthorn Congress when requesting reservations, as well as stating exact time of arrival and type of accommodations desired.

**REMEMBER, the L & L Farms Second Annual Polled Shorthorn Sale at Dothan, Ala., on Wednesday, January 27th. Transportation is available from Ocala to Dothan.**

## *Show Classification and Premium awards*

We know all Polled Shorthorn enthusiasts join us in extending thanks to Mr. Lynn and the Southeastern Fat Stock Show officials for their liberal contribution to this attractive premium list.

# Polled Shorthorn

## *Standard Guarantee* OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

## *Information for the Buyer*

**MAIL BIDS** - Those unable to be present who desire to take advantage of the buying opportunities in this sale, may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you. They may be contacted at the addresses listed, or they can be reached in Ocala in care of Marion Hotel.

Representing **AMERICAN SHORTHORN BREEDERS' ASSOCIATION**  
Allan C. Atlason      Clem Larson      Ted Aegerter      Carl O. Parker

Representing **THE SHORTHORN WORLD**, 16 South Locust St., Aurora, Ill.  
Merv Aegerter      Don Longley

**SHIPPING ARRANGEMENTS** - It is the obligation of the consignors and this Society to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

**LIABILITY** - Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Society, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

**TERMS** - The terms of the Sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

**GUARANTEE** - All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association, which is printed in this catalog.

**AUCTIONEERS:** J. E. HALSEY, DES MOINES, IOWA.  
C. D. SWAFFAR, TULSA, OKLAHOMA.

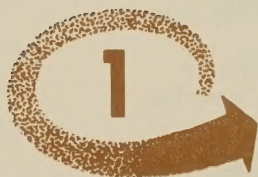

**AMERICAN POLLED SHORTHORN SOCIETY**

Roan, Albert Hultine & Sons

Lord Capacious x1652802  
Roan, Mrs. Glenn Yoakam  
Orange Gloster x779352  
Roan, M. Yoakam

PINEBIRCH MONTEZUMA - Has been used in our herd and we have several very promising calves by him. Ready for heavy service. Although he is not fat he will be in good breeding condition.

# 1953 International Grand

## Champion

## Bull

T P S MAX CORONET 5th by Coronet Max Juggler 3d, was Senior and Grand Champion Polled Shorthorn bull at the 1953 International Live Stock Show. He was bred and exhibited by Lewis W. Thieman, Concordia, Mo.

This Senior Yearling bull possessed excellent breed character, was uniform in thickness and nicely balanced.

His grandsire was an International Grand Champion and has produced many outstanding show and breeding animals.

Buyers looking for the ideal beef type animal, 100 percent modern, 100 percent able to give full and quick return on cattle investments, cannot afford to overlook the Polled Shorthorns offered in this Congress, with championship bloodlines in their backgrounds.

THOS. PIATT

MALE

BROOKDALE MAYOR x2640-921 LE-TP 1 RE-131

5

Red, calved May 10, 1951. Bred and owned by Thos. Piatt, Lexington, Kentucky.

WAYCROSS LEADER 12TH - Is a well balanced bull with lots of scale for age that should appeal to commercial breeders especially. He is from the same family as our International Reserve Champion.

# The Practical Kind

Remember that profitable farming is based on sound planning in the use of good seed, good feed, good fertilizer and **GOOD LIVESTOCK.**

Polled Shorthorns are the most practical and profitable cattle for American farms. They offer the farm family security and dependability year after year. There is no more profitable use yet found for hay, straw, grass and fodder than by way of a herd of Polled Shorthorns. They are tops in weight for age, gentleness, quality, modern type and their ability to utilize farm-grown roughages efficiently is unexcelled. Combine this with the fertilizer which they give back to the land and you have the ideal plan for practical farming.

**EDMUND T. MORRIS**

**MALE**

**WAYCROSS MERCURY 27TH x2714-733 LE-1M 18**

# 1953 Congress Grand

## Champion

## Bull

ALCOVE BETTERBOY sired by Cedar Hills Revelationx, bred and consigned by Alcove Farms, Victoria, Illinois, was the Grand Champion bull in the 1953 National Polled Shorthorn Congress held in Hutchinson, Kansas. He sold to Kenneth Duncan and S. W. Gibson & Son, Flagler, Colorado.

Alcove Betterboy was a breedy, thick, deep-bodied, well-balanced, two-year-old. This Congress offers the modern type bull for every type herd and every size pocketbook. Every bull is ready for immediate service. **BUY POLLED SHORTHORNS FOR THE UTMOST IN BEEF PRODUCTION.**

MARYLEE ROTHES MONARCH - An outstanding solid red bull of serviceable age combining the best of polled and horned breeding. He is by a son of the "ideal type Polled Shorthorn bull" Glen Knolls Monarch and out of a dam by Lynnwood Double Rothes - doub grandson of the Perth Champion, Royal Rothes.

# Better Bulls

## For Greater Progress

Investing in an outstanding purebred Polled Shorthorn bull is the best way to progress in the beef cattle business. It is far cheaper to breed deep middles and naturally thick bodies on calves than to feed them on . . . and if a calf has not been given the right heritage no amount of feeding and handling will ever develop into a top animal.

Increased livestock efficiency requires the use of types which have demonstrated their ability to attain maximum weight for age at minimum cost per unit. The Polled Shorthorn ability to add natural hornlessness to that extra 50 to 100 pounds in weight which Shorthorn breeding can put on commercial steers by market time makes them popular immediately with cattlemen who must make the most efficient use of their land and cattle investment.

The Polled Shorthorn bulls in this sale will sire bigger calves that will gain and weigh more at any age. . . . and make more efficient, more economical, profitable use of all feeds.

C. B. TEEGARDIN

OAKWOOD ENVOY x2749-147 LE-245

# There's Dependability in Polled Shorthorns...

HILLDALE COLLYNIE 60TH

S. G. ADMIRATION

CLARISSA CORONITA 9TH

BONNIE BUTTERFLY

KING OF THE VANITIES 100TH

Polled Shorthorns have consistently gained in world favor because they possess the characteristics of adaptability and efficiency. Coupled with ideal type they have all the advantages of other breeds and none of the disadvantages. They can give you all the superior money-making qualities of natural greater weight and early maturity of the Shorthorn, plus the money and time-saving attributes of the naturally hornless head. They can turn grass and roughage into cash income faster than any beef breed, and are easier to handle because of their quiet, easy-feeding dispositions.

CLARISSA CORONITA 7TH

CH ROYAL LEADER 2D

The blood-lines of the International Grand Champion Bulls and Females shown here have supplied some of the master strokes in building the increasing present day popularity of Polled Shorthorns. Included in this offering are sons and daughters . . . sisters and brothers . . . of the animals pictured here . . . all possessing the quality and type much sought for in modern Polled Shorthorns. Their excellent type tells you instantly something of the far-sighted vision which has gone into making this the greatest assemblage of any consignment sale of Polled Shorthorns ever held in America.

Roan, G. W. Symonds

ALCOVE AVALANCE - Is a bull with exceptional bone and ruggedness, plenty of weight for age, thick fleshing and style. The champion of the 1953 Indiana State Fair was a granddaughter of his dam. His sire is a great show and breeding bull, having won many blue ribbons and was second in class at the International.

The herd which achieves distinction consists of the best bull money can buy and good females which can enhance that bull's value with each succeeding crop of calves. Here is a rare opportunity to buy the top ends from the best sources of supply . . . animals of modern type, individuality, of the right conformation, backed by ancestry of known performance.

Many bulls in this Congress will not be available at any price when their calves begin to come. Many of the females would not be priced under any consideration at private treaty, but are consigned to this show-window of the breed because of the promotional value to the herd.

There will be animals to fit every herd need, and all are the kind to point the way to the attractive future ahead for Polled Shorthorns. **BUY WITH CONFIDENCE IN THIS CONGRESS.**

42

RAY PEEBLES & SON

MALE

EL-BROOK ROYAL HEIR x2733-257 LE-P 42

Her dam is a granddaughter of the 1931 International Grand Champion female. Bred to COLLYNIE DE LUX x2597919, tracing eight times to Lord Collynie x. We bought this hei from the Hultine show string and sell her only to be represented in Florida's first Congre Sale.

The Trend is to

# POLLED SHORTHORNS

because cattlemen are seeking the quicker-maturing qualities combined with the naturally hornless trait of this fastest growing American beef breed.

These better-doing traits will be transmitted to your calf crops if you use a Polled Shorthorn bull. Polled Shorthorns are modern, built-for-profit cattle. Cash in on this greater profit.

# Polled Shorthorns

## Solid Foundations For Security

The beauty of the uniformity of the modern Polled Shorthorn is demonstrated by this beautiful group of females turning good grass into beef and cash for their owner. They are profitable and popular in feed-lot and pasture because of their excellent dispositions and natural hornlessness.

You will find good females like these in conformation and quality, as well as in breeding, in this year's Congress. There is no more solid, sure investment than a herd of Polled Shorthorns. At the congress you can get the outlook and promise of the success you can achieve in your own Polled Shorthorn business, and you will find the right kind with which to start.

# Aren't These The Kind Of Polled Shorthorns You Are Trying To Produce?

Uniformity and excellence in type and quality such as portrayed by this group of Polled Shorthorns give convincing evidence of the constructive nature of operations on thousands of American Farms today. Polled Shorthorns are a sound economic and financial investment. The dollar may change in value, but an efficient working herd of registered Polled Shorthorns is the greatest possible assurance for future economic security.

Give practical stockmen what they are asking for. Breed Polled Shorthorns . . . the modern type of beef production.

# Unexcelled Mothers . . .

Every breeder likes his cattle with good even dispositions, gentle, with big calves and long lactation periods. Polled Shorthorn cows fill that bill perfectly. These matrons show the great placidity of disposition which, added to the ability to produce abundant milk, make Polled Shorthorn females such excellent mothers.

Those who study their costs in raising heifers are convinced that it pays to raise only the good ones. It takes just as much feed, just as much time, just as much barn and pasture room to raise poor ones as it does cows like these that are bred right . . . but there is a vast difference in the check when it's selling time for either the calves or their dams.

Attend this Congress Sale. . . and select your herd sire and foundation females. Here you will find the quality high and the animals popularly bred!

AVENEL FARM

# 1953 Congress Grand

Champion

Female

KINTYRE RED ROSIE 10TH, sired by Coronet Max Juggler 9th, was Grand Champion and top-selling female of the 1953 National Polled Shorthorn Congress held in Hutchinson, Kansas.

She was a dark red, breedy, short-legged, smooth, flashy junior calf out of a daughter of Collynie Charmer, and was purchased by Hudson Bros., of Hubbell, Nebraska. She was bred and consigned by Kenner Stock Farms of Hebron, Nebraska.

No breed of cattle faces a brighter future. Polled Shorthorns offer many advantages to the southern breeder. The strong demand assures a good market for all surplus stock produced.

 Augusta Again 1867897  
 Roan, Maple Lane Farm

ALCOVE AUGUSTA 25TH - Is a sweet young heifer. Her grandsire, Cedar Hills Revelation produced the 1953 Congress Champion bull, as well as an International Sale Champion female and many first prize winners.

The years continue to add evidence that giving each buyer an over-flowing measure of square deal is the smartest business practice any breed auction can follow, and that can be said of every Polled Shorthorn Congress to date. The who's who buy here. They have learned by experience that there is no more dependable foundation for a leading herd than championship blood, and it can always be found at these annual national events. COME AND PROVE IT TO YOURSELF.
